Reves Meyer, as Surveyor late slaveholders, in too many instances, are not Customs, and Edward Wallace as Naval Officer. reconciled to the idea of paying negroes for ADDITIONAL APPOINTMENTS FOR BALTIMORE. not in name-may somehow be restored. In and T. K. Cornwall as Appraisers. groof of this, we extract the following from the eading editorial of The Memphis Argus of the

"The number of free laborers lost to the country in | nancial scheme on foot. be Southern States, in consequence of the Rebellion, is very great, besides, there has been to emigration what-ers for four years or more, and discuss and dissolut-cess have grown to an alarming hight among all classes. It will be impossible for the white population already is this country to become at once active and zealous to become at once herive and zealous when we have no doubt, it may and will do we altogether reject the theory that the SATIONAL BASES.

The following National Easile were established and the properties of the basel of not seed that Policy in the control policy in the contr of the co-existence of the blacks and whites in our territory. We do not now speak of the social officers of the Pay Department in this city, was, with that we have at present nothing to do—but only of their being equally free, and equally collided to be considered being equally free, and equally collided to be considered and treated as freemen, that is all. Then let the people of the property of the principal officers of the Pay Department in this city, was, with that we have at present nothing to be property of the principal officers of the Pay Department in this city, was, with the property of the principal officers of the Pay Department in this city, was, with the property of the principal officers of the Pay Department in this city, was, with the principal officers of the Pay Department in this city, was, with the property of the principal officers of the Pay Department in this city, was, with the principal officers of the Pay Department in this city, was, with the principal officers of the Pay Department in this city, was, with the principal officers of the Pay Department in this city, was, with the principal officers of the Pay Department in this city, was, with the principal officers of the Pay Department in this city, was, with the principal officers of the Pay Department in this city, was, with the principal officers of the Pay Department in this city, was, with the principal officers of the Pay Department in this city, was, with the principal officers of the Pay Department in this city, was, with the principal officers of the Pay Department in this city, was, with the principal officers of the Pay Department in this city, was, with the pri Then let the peoand treated as freemen, that is all. Then let the peo-ge to longer hope to have the labor of the negro with-out compensating him for it. It is impossible—they cannot as it. The negro is free to choose for himself whather he will work for nothing or not work at all. It is unreasonable to suppose that he will make a choice different from a white man, and we all know what the white man schoice would be. The near os choice will be the same and if he is not pold he will not work, and there is no power to make him. But whether he works or not, he will live, and if he is not allowed and the possible to a new housest living take the easiest methods its. We have said tout t

LETTERS FROM "DIXIE,"

to find only their chimneys standing. At one place I near where their house had been. Hundreds of family lies are houseless all over this country, and have no crop growing for their future support. The first and only field of clover I saw in the State was near Dalton; it looked finely. Lookout Mountain was a prominent object for 20 miles before we reached Chattancors, and Missionary Ridge, extending many miles nearly north and south, were viewed with much interest, having

and south, were viewed with much interest, having been the scene of so many sangainary conflicts.

After a weary ride we arrived inte at night at Chattanooga. This town is only a military post now, lying on the Tennessee River, and right at the foot of Look out Mountain. This mountain had become the resort of many wealthy families during the hot months before.

These who held been in the habit of frequenting for home who held been in the habit of frequenting for the charge who held been in the habit of frequenting the horse knew the control of the charge and consequently, on of many wealthy families during the hot months before | Sch. Charles J. Talbot has been appointed by the the war. It has sufficient elevation to produce a de-

crossed the battle-fields of Murfreesborough and Stone River, and saw cotton growing over the dead, hilled in A Henriless Seducer He Abandons Mis buttle and buried in long, shallow trenches, now plowed Victim and Pulls into the Hands of Re-The receipts from internal revenue for the over. Some of the long mounds where the soldiers The receipts from internal revenue for the present month for up the hardsome sum of \$20,000,000. No such amount has been received from this source of laid on the ground and dirt heaped up over them. In many places part of their decayed bodies were visible, city a young and innocest girl, whose misfortunes have receipts for the next two months will be about \$60,000,000,000 or about \$1,000,000 per day.

SEX,000,000,000 or about \$1,000,000 per day. were terribly severe, and the blood of the thousands killed is giving food to the cotton plant. In a fow years the remaining mounds, where they are baried, will be plowed down, and no mark of their resting-place seen. It is sorrowful to look ever the rains of the South—the fields laid waste, desolation everywhere—the people in poverty and distress.

When we look for the cause we find it all arcse from intentions. Sixyery, the right to large and all arcse from large sixyery the right to large and all arcse from large sixyery the right to large and all arcse from large sixyery the right to large all arcse from large sixyery the right to large all arcse from large sixyery the right to large all arcse from large and all arcse large and all

refuse to speak these shall be so far compressed teat, while fitting to the occasion, they shall not oppose those slumbers to which the late kour invites. I may say, slumbers to which the late kour invites. I may say, then, that among the accepted fruits of the ince war which has but just now terminated in a restored Union are the equality of the negro among manerind, and the full recognition of all the rights in him which apertain to universal manhood. (Appause.) He who marshaled if freedom's arms to this grand consummation fell as at was achieved and accepted. The agreessin's arm renched beyond the life of the martyr Lincoln, and struck at the life of the republic.

Then, you and L, and all of us fell down.
